## **Dana Camphous-Peterson appointed to Macomb Community Action Advisory Board**

MOUNT CLEMENS, Mich. – Macomb County Commissioner Dana Camphous-Peterson (D-Harrison Township) has been appointed to the Macomb Community Action Advisory Board (MCAAB).

Camphous-Peterson was appointed Sept. 19 by Board Chair Nancy White. There is no term limit on her appointment, but she can only serve as long as she's a commissioner.

The board advises the Macomb County Community Services Agency to help it meet its goal of reducing poverty in Macomb County. As a member, Camphous-Peterson will participate in evaluating the policies and programs of the department and recommending changes to improve services.

Camphous-Peterson is a honorary board member of CARE House, which she co-founded in 1996. CARE House is an agency that provides free services to children who are victims of sexual or physical abuse, and their families.
